

Al-Cr -2007-1
February 1, 2007

Aluminum and Chromium Leaching Workshop
Atlanta, GA
January 23 – 24, 2007
Crowne Plaza – Airport

Feedback Questionnaire

Did the technical content of the workshop meet your expectations?

Did presenters convey their content clearly and in a way that the content was understood?

Was the meeting room setup (classroom setting, size, and lighting?) appropriate for the presentations and room occupancy?

Was sufficient time allotted for discussion within the context of the workshop session and during breaks?

Was Atlanta a convenient location for the workshop?

Did the roundtables at the conclusion of each day's agenda add value?

What improvements could be made in the format for future workshops?
